SKILLS SUMMARY

WEB DEVELOPMENT

- Designed and created a static mobile friendly portfolio website using **HTML**, **CSS**, **JavaScript**, **Bootstrap**, and hosted in **GitHub**. View Live.
- Developed an E-Commerce API using **Node** and **Express.js**. View Live.
- Completed a Full-Stack Application using the MERN Stack (**MongoDB**, **Express.js**, **React.js**, and **Node.js**). View Live.

ATTENTION TO DETAIL

- Developed a keen eye for detail and accuracy. I consistently maintain a high level of accuracy in my work, ensuring that all data is entered correctly and efficiently.

COMMUNICATION

- Worked well in a team environment and able to collaborate with others to achieve common goals.

ADDITIONAL SKILLS

- **Figma**

PROFILE

Experienced and self-driven web developer, bringing solid skills for creating highly functional and visually appealing web applications. I aim to create innovative, user-focused products by leveraging my passion for technology.
